[Disabling Auto Updates On Slack For Mac](#)

---

Feb 25, 2018 Bear in mind that setting this knocks out automatic updates for all apps that use Squirrel (except those that Nerf that shit so hard).

Note that App Transport Security (ATS) applies to all requests made as part of the update process.. Update Office from the Mac App Store If you downloaded Office from the Mac App Store, and have automatic updates turned on, your apps will update automatically.. But you can also manually download the updates: Open the Mac App Store from your Dock or Finder.
